Redfish

Trout

Flounder

Species for this tournament are Redfish, Trout, and Flounder. Weigh-in will be a virtual weigh-in (i.e. this is a picture tournament based solely on length). Fishing rulers will be distributed at Captain's Meeting.

For each fish you wish to "weigh" please email pictures to fish@sladedozierfoundation.org. Each fish should be clearly shown on the ruler with the nose at 0, and showing the total length on the ruler. Please send a separate email for each fish you wish to be considered, 2 pictures per fish maximum, and please send them **at the time the fish is caught**. The time stamped on the email will be used in the event of a tie. Fish lengths will be measured to the nearest ¼ of an inch. Weigh Master's decision is final. Pictures must include laminated SDF logo to be distributed at Captain's Meeting.

Prizes will be awarded for 1st and 2nd place in each category, as well as a youth angler (15 years old and younger), and lady angler. Youth and ladies need to specify to which category you want each fish entered (example: cannot enter lady and redfish categories with the same fish). There will also be a prize for the redfish with the most spots and for the first person of the day to catch an inshore grand slam.

The boundaries for this tournament will be any public waters in Charleston County that are legal to fish for every contestant (ocean, bays, rivers, inlets and creeks). Ponds or impoundments are illegal to fish.

Fishing will be done with rods and reels only. All fish must be caught on the day of the tournament. A net may be used to land fish into the boat or to catch bait.

All SC DNR and U.S. Coast Guard rules and regulations apply to licensing and vessel operations.

DON'T CHEAT, HAVE FUN, BE CAREFUL & GOOD LUCK!!!!
