

Dear Slade Dozier Foundation Supporter,

We sincerely appreciate your consideration of sponsoring or donating an item for auction or raffle to the 5th Annual Slade Dozier Memorial Inshore Fishing Tournament. Through the generosity of people like you, we have raised and donated a total of \$205,000 to the SUDC Foundation In the tournament's first four years.

Laura and I, with the help of friends, formed the Slade Dozier Foundation in 2016 in response to losing our 18-month old son, Slade, to SUDC (Sudden Unexplained Death in Childhood). We put our two happy and healthy twins to bed on April 24, 2015 and sometime in the early hours of April 25th we lost Slade in his sleep. After thorough investigation, autopsy, and toxicology, his death was unexplained, putting him in a category of SUDC (Sudden Unexplained Death in Childhood). Our little boy was gone without warning or explanation.

We are organizing the 5th Annual Slade Dozier Memorial Inshore Fishing Tournament in Charleston on October 17, 2020. This year's tournament will look different from prior years due to the Coronavirus pandemic. You can fish one day within a window from October 10-17, log catches on an app called iAngler, and the virtual silent auction will be held online through GiveSmart. We have added a couple freshwater categories this year as well. While we really want to have an in-person banquet, that just doesn't seem practical this year. Regardless, the money raised will support The SUDC Foundation (www.sudc.org) which has ongoing research to understand and prevent SUDC. Our sincere hope with raising money to support research is that one day, no parent will have to endure this heartbreaking tragedy.

We sincerely thank you for your time and consideration of being a part of our efforts. Please feel free to contact me directly by phone (843-224-7236) or email (tomdozier@sladedozierfoundation.org) with further questions and please see the following pages or visit our website (www.sladedozierfoundation.org) for more information.
